A continuation (2 days per week) of ballet will be offered after school, as the students have worked hard and gained so much this year. It's also a great chance to prepare for our intensive summer dance program as well as others. Please indicate which sessions work for you by filling out registration form below and returning asap so teacher schedules can be confirmed. If a vacation is during one of the sessions, i.e. can only do 1 week, we can substitute 2nd wk in another session. Thank you! (Note: *Intensive* meets 4 days per wk for 2 weeks to improve quickly, *continuation* is 2 days a week for 2 weeks to retain/improve.)

We welcome our guest teacher, Miss Lauren Bray for July & August workshop. She was a past student of ours and then went on to dance at the Univ of Montana obtaining her undergraduate in science, followed by nursing school, She is now in a modern company as well as a nurse. Lauren recently moved back to Spokane from Seattle, and we're excited to have her join us.
